LO: WW2 Song

World war two,  
Hitler in rule,  
The only choice is to brawl.  
Back at home,  
Packed my bags,  
Before you know it am ready to go.  
In the trenches,  
Rusty old benches,  
Diseased rats,  
Bless him old man pat,  
He got shot without his hat.  
Hope to get home,  
Safe and sound,  
Lay on the ground,  
And watch the starry night,  
As it goes bright.
