

# Spring Home Learning Challenge

Go for a walk with a grown-up and look out for any signs of spring. You could draw a picture to show everyone what you saw.

During spring, lots of animals have their babies. Find out the names of these baby animals: duck, pig, sheep, cow and horse.

Make a weather chart to show what the spring weather is like. You could cut out the symbols from the second sheet to stick on your chart, or you could draw a picture of weather each day.

Draw a picture of a flower. Remember to draw some petals, a stem and some leaves on your flower.

Hetty the Hen had 10 eggs. On Monday 4 eggs hatched into chicks. How many eggs were left in Hetty's nest?

You could draw a picture of the eggs to help you work out the answer.

During spring, seeds begin to grow. In the story of Jack and the Beanstalk, Jack's beans grow into a magic beanstalk. Tell the story of Jack and beanstalk with grown-up at home. You could even act the story out together.
