

Tuesday 21st April 2020

Today we would like you to go for a minibeast hunt around your garden (only if it is possible and safe to do so - remember to keep a safe distance from your neighbours). Look under rocks, look on leaves, look on branches and anywhere else you think minibeasts would like to live and hide. Write down what you found and where you found it.

Minibeast (you can draw a picture too if you would like)	Where I found it
