

To investigate the colours

In this lesson we are going to be creating a piece of work inspired by an artist called *Andy Goldsworthy*. We are going to be using items from nature, these can be from a local park or your garden. This lesson requires you to collect petals, leaves, sticks and other items to make a colourful picture. If you have already been on your one walk, run or cycle, don't worry you can do this activity tomorrow. Or you can get extra creative and use colourful items from your home, like toys, fruit or clothes.
