

Day 2

Predicting

To predict using evidence.

- We are going to be looking at the book 'Fly, Eagle, Fly: An African Tale', retold by Christopher Gregorowski, this week and next week.
- Look at the next slide, which is the front cover of the book, and **predict** what you think might happen in the tale, where is it set and who the person on the front cover is.

What do you think will happen?

Your task

- Ch1 - Write sentences predicting what you think the tale might be about, where it is set, who the person on the front cover is (e.g. I think that ...).
- Ch2/3 - Write a paragraph predicting what you think the tale might be about, where it is set, who the person on the front is. You **MUST** use evidence from the front cover (e.g. I think that ... because on the front cover it shows/ says...).
