# How can I spread the Good News, bringing life through the power of the Holy Spirit?

Think of what you have learned and ways to apply your learning about the spread of the Good News and about how the Power of the Holy Spirit helps Christians today

Challenge \*/\*\*/\*\* palm leaf tasks to do (see next slide)

You can draw your own palm leaf or use the template. Your teacher will use your leaf to make a palm tree display to show ways we can spread the Good News for when we return to school. Take care on the careful presentation of the palm leaf and your writing, particularly of any green shading or lines to show the palm leaf veins or cutting the edge of the palm tree.

\* You are going to write some thoughts on a palm leaf template about how we can spread the Good News at school or at home

\*\* When writing your thoughts on a palm leaf, add in details to describe some ways in which the apostles spread the Good News through the power of the Holy Spirit. Use the correct spellings and punctuation of any religious words and phrases which describe the events of Pentecost.

\*\*\* When writing your thoughts on a palm leaf, give reasons why the apostles spread the Good News and the reasons for the actions of Peter, John and Paul and make links between the Pentecost story and the Christian belief in the new life of the Easter message through the power of the Holy Spirit
