

The image shows a worksheet with a central rectangular text box containing instructions. Surrounding this box are four large, empty thought bubbles, each connected to the central box by a series of three small circles. The thought bubbles are positioned at the top-left, top-right, bottom-left, and bottom-right corners relative to the central text box.

In 3 of the clouds write down/illustrate something you like to do e.g. sport, drawing, a hobby etc. Since you have been at home have you discovered a new talent e.g. cooking, gardening, jigsaws etc? Write/illustrate that in the 4th cloud.
