

For RE we will continue thinking about Mary. Please remember to say the Hail Mary every day, we are sure that you must have nearly learnt it now. We would like you to recall all the stories you have heard from the Bible that Mary is in. Have a little think then tell someone which stories you can remember. If you can't think of any then you can use a Bible to find them. Try to think of at least 3. If you can think of more that is brilliant! Draw a picture of the story then write a sentence about it underneath. We have started the first one for you.

		
<p>The Angel Gabriel appeared to Mary and said God had</p>		
<p>chosen her and she would have a baby called Jesus.</p>
