

RE 1

L.O I can show how the Holy Spirit can change the world.

- The Pentecost story continues in the Church today. Each year, Christians remember and celebrate the coming of the Holy Spirit on the first Pentecost day, which marks the beginning of the Church. Jesus Christ now lives in and acts through the Church.
- The changing and transforming power of the Spirit is at work in God's family, who ask for the gifts of the Spirit. They pray that they will be changed and transformed by the energy and power it gives them so that they may bring the fruits which are peace, joy, love and forgiveness to others as witnesses of the love of God.

# Key Questions- to think about

- How would you like the Spirit to help you bring about change in your daily life?
- How might the fruit of the Holy Spirit help to change and transform the world in which you live?
- In what ways might the Holy Spirit's power and inspiration be experienced in your local Church community?
