

# Lost words

We need your help!

We wanted you to read this poem, but we seem to have lost its title and some of the words! Can you guess what the missing words might be and then come up with a title for your version of the poem?

---

Our teacher lost her \_\_\_\_\_  
today ...

We don't know where it's gone,  
we've searched all round the \_\_\_\_\_  
and all round the \_\_\_\_\_.

We've \_\_\_\_\_ inside the \_\_\_\_\_,  
we've looked behind the \_\_\_\_\_  
and even in the \_\_\_\_\_ ...  
It can't be found at all!

My \_\_\_\_\_ says it's \_\_\_\_\_  
my \_\_\_\_\_ says it's sad ...

Miss Johnson only *whispers*  
But we are rather glad.

Now you have filled in the missing words and title have a look at the actual poem (in the Writing Week 7 folder). How close were your guesses?
