LO: To write a sequence of sentences with capital letters and full stops.

21.05.20

To join sentences using conjunctions.

To avoid using 'and', 'but' or 'so' after using a full stop.

Imagine that the girl finds the Coopers have shot a different animal, for example a fox or a rabbit, and that she does put the finger on them. What punishment would be dished out this time? Write a short sequel telling the Coopers' story, innovating the Greggs' story. Use suitable adverbials to order your retelling for example: the next morning, it was about that time, then, next, after that, suddenly, finally.
