LO: To discuss the title and talk about the events in a story. To recall the main events in a story. 20.05.20
Think about the key events in the Greggs' story in the Magic Finger. Note that the key events are the main things which happen in a story and they must be told in the right order to make sense. Use suitable adverbials to order your retelling for example: the next morning, it was about that time, then, next, after that, suddenly, finally.
