

Dear Brother,

It's the smallest Billy Goat Gruff here. I'm sending you a note to warn you about the troll under the bridge. I was going over the bridge when he stopped me and tried to eat me! He showed me his sharp teeth! He only let me past when I told him that I was the smallest goat. Watch out, he might try to eat you too.

I'm the only goat to get over the bridge, but I'm hoping you will be able to join me soon. If you can't get over the bridge, you could always take a boat across the river instead.

See you soon,

The smallest Billy Goat Gruff
