For parents and guardians

We want to make Year 3 an enjoyable one. You could help your child(ren) by:

Ensuring that **ALL** possessions, especially uniform and P.E kit, have names in them.

Encouraging your child(ren) to be organised, independent and to take more responsibility for themselves.

Listen to them read, or talk about what they have read, for at least 15 minutes every night.

Encourage them to practise the times tables frequently to improve speed and accuracy.

Encourage and support your child with homework activities and ensure work is completed to a good standard and on time.
