

19.3.2020

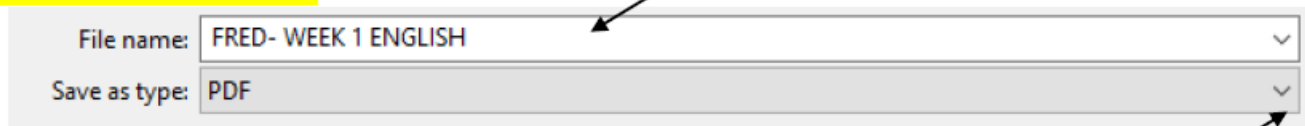

Year 6,

Whilst school is closed, you are still expected to complete tasks at home. Work will be put up on a Wednesday for the whole week and you will be expected to carry out the tasks and email them back to your teacher by 3pm on the following Wednesday. You should try to do some Writing and Maths every day as well as your daily reading. You will also have some Topic work (Science, Geography, History or Art) each week. In class, we planned to read 'Goodnight Mr Tom' so you have been given a school copy to borrow and you will be directed to complete some tasks related to the text so it is essential that you read it.

The Year 6 class page has folders where the work will be saved. Everything needs to be saved as a PDF file so you will be unable to type onto the sheet. To do this we would like you to do the following:

- 1) Open up the document from the year 6 class page and also open up a blank word document (if you do not have Microsoft office, then use whatever you have to be able to create a document)
- 2) On your word document, write the date, your name and the title of the work.
- 3) Put the question number and type in the answers to each question (you may find it easier to write the answers on a piece of paper and then type them up at the end but you can switch from the sheet to the word doc if you are confident- do what is easier for you!)
- 4) When you have completed the sheet you need to save it. It is important that the file is saved as a PDF before you send it- Do not do this until you have completed the final task or you will not be able to edit it!

To remind you- click file- save as and type the name of the document. You should put your name and the week number

File name: FRED- WEEK 1 ENGLISH

Save as type: PDF

Then click drop down arrow and select PDF

- 5) Once you have saved your work, open up your GMAIL to go into your school email account. (If someone in your house already has a GMAIL account set up you will need to select add another account and put in your username and password.)

Homework should be emailed to your teacher;

missm@stthomasofcanterbury.thurrock.sch.uk

miss.crofton@stthomasofcanterbury.thurrock.sch.uk

miss.barry@stthomasofcanterbury.thurrock.sch.uk

Please do not email work back daily- you need to complete the tasks for the week and send them in one email. You will receive a reply from your teacher to let you know that they have received it and it will be checked. Teachers will be keeping a record of how you have done but you will not necessarily get feedback on each piece of work unless it we feel it is important.

If you are unable to use a laptop/ computer at home you could either complete the tasks in a workbook or on paper and keep all of this in a folder to bring back to school OR you could print off any worksheets and complete on the sheets. If you do this you **MUST** date your work. We can provide you with paper/ workbooks to complete this as long as you ask by Friday.

Please remember, we will be working the hours we usually work when we are at school and emails should be sent within the hours of a normal school day. It is not appropriate for you to be completing school work late at night and we will not respond to any emails that are sent very late until the following day.

This is a very difficult time for everyone and we do not know how long we will be off of school for. We are doing our best to ensure that you will be as prepared as you can be for your SATs (if they go ahead) and for your transition to secondary school.
