For parents and Guardians...

We want to make this last year at St Thomas' an enjoyable one. You could help your child by:

- Ensuring that ALL possessions, especially uniform and P.E kit have names in them.
- Encouraging your child to be organised and independent, taking more responsibility themselves.
- Listen to them read, or talk about what they have read, for at least 15 minutes every night.
- Encourage them to practise times tables frequently to improve speed and accuracy.
- Encourage and support your child with homework activities and ensure work is completed to a good standard.
